**Frontier Airlines Reports December 2010 Traffic**  
*Reports Tenth Consecutive Record Load Factor*

Indianapolis (January 4, 2011) – Frontier Airlines, a subsidiary of Republic Airways Holdings (NASDAQ/NM: RJET), today reported preliminary traffic results for December 2010. Frontier's traffic increased 2% to 976 million revenue passenger miles (RPMs) while capacity was slightly down to 1.22 billion available seat miles (ASMs). Frontier Airlines served 1.1 million passengers in December, holding steady from December 2009. Frontier achieved its tenth consecutive record monthly load factor this month. December's load factor was 80% compared to 77% in the same month last year.
